

Members of Lake Superior Area REALTORS® , Inc.:

With coronavirus (COVID-19) concerns growing, conferences, schools, religious services, sporting events and public gatherings are being cancelled throughout the country. Our leadership wants you to know that we are keeping a close eye on developments that may affect our members and community.

At the Lake Superior Area REALTORS® , Inc. the safety and health of members and staff is a top priority. With the increased concern around COVID-19, the Executive Committee of LSAR wants to offer the following information:

Effective immediately, our association office will be closed to all walk-in traffic through April 30, 2020. We have already developed a Business Continuity plan to remain operational remotely and LSAR staff will be available to serve you via phone or email, Monday—Friday 8:30 a.m. – 5:00 p.m. Appointment only arrangements may be made out of absolute necessity. The Board of Directors and LSAR Committees will continue to meet remotely as scheduled.

In addition, all classes, events, education, and other activities will be cancelled through April 30, 2020. We are working to reschedule these events and will update all attendees with more information as it becomes available. With respect to the WI CE scheduled for April, we will make every effort to secure a date between May 18, 2020 and June 30, 2020.

If you are scheduled to attend an event, educational course, etc. please watch for information on rescheduled dates. If you have paid for any of these offerings and would instead like a full refund, please contact laura@LSARealtors.com at any time.

We know many of you count on our education offerings to further your professional development, as well as to ensure a timely renewal of your real estate license. MN REALTORS® has been in contact with the Minnesota Department of Commerce regarding the June 30, 2020 MN licensing requirements. We will be sure to update you as we learn more. In the meantime, you may want to consider our online education partners [here](#). Use promo code “SUPPORT40” with [The CE Shop](#) at checkout for a 40% discount.

As you know, the COVID-19 situation is rapidly evolving. You can access up-to-date information about the current impact of the virus in the U.S. by visiting the [CDC’s website](#).

All of us should take proactive actions to help prevent the spread of illnesses, including coronavirus and the seasonal flu, including these precautions in your daily interactions:

- Staying home if you have a fever, cough, shortness of breath or any other cold or flu-like symptom.
- Washing your hands frequently with soap and water for at least 20 seconds. If soap and water aren’t available, use an alcohol-based hand sanitizer.
- Avoiding touching your eyes, nose, and mouth with unwashed hands.
- Avoiding close contact with anyone who is sick.
- Cleaning and disinfecting frequently touched objects and surfaces.
- Covering your mouth and nose with a tissue when you cough or sneeze

Additionally, please take a moment to review this informative guide CORONAVIRUS: A GUIDE FOR

REALTORS® from the National Association of REALTORS by clicking [here](#). It is filled with useful

information regarding how this may be impacting the real estate industry.

We will continue to make our members a top priority as we monitor and evaluate, as needed, and we promise to work tirelessly to ensure our members needs are met during this unprecedented situation.

Finally, the Lake Superior Area REALTORS® will continue to update our members as new information becomes available and as any changes are made in the way we offer services to our members or in upcoming events or classes offered by the association. Please visit LSARealtors.com for ongoing updates.

Best Wishes,

Doug Kman
